ONLINE SAFETY

App Safety Settings

With the Online Safety Act now in force it's no surprise to see a lot of focus and scrutiny on tech companies, their features and safety settings being so prominent in the media, particularly safety settings failures. However, that shouldn't detract from the fact that safety settings are important; they're not perfect and never will be, but they are there for a reason.

So this feels like a good time to send a reminder out to for the features and safety settings of some of the more popular social apps which I've shared below, all from the Internet Matters website:

- Discord app settings - [HERE](#).
- TikTok parental controls - [HERE](#).
- Snapchat parental controls - [HERE](#).
- Instagram parental controls - [HERE](#).
- Pinterest privacy and safety settings - [HERE](#).
- FaceTime privacy and safety settings - [HERE](#).

Please follow us on our social media platforms to stay up to date with our school news!
