WORLD BOOK DAY – FRIDAY, 6TH MARCH

We are excited to announce that we will be celebrating World Book Day on Friday, 6th March to promote a lifelong love of reading and storytelling across the school.

To mark the occasion, we invite all children to come to school dressed as a character from a book. This could be a beloved fictional character (from a novel, picture book, or comic) or a notable historical figure they have read about in a non-fiction book.

Important Costume Guidance:

- Characters from Books: Please ensure costumes are linked to a specific book character.
- No Sports Outfits: We kindly ask that children do not wear sports kits or football strips for this event.
- Keep it Simple: Costumes do not need to be expensive or store-bought; simple homemade ideas using everyday items are highly encouraged.
- Bring the Book: If possible, we would love for children to bring a copy of the book that features their character to share with their class.

Throughout the day, pupils will participate in a variety of exciting reading activities designed to inspire their imagination.

Each child will also receive a £1 World Book Day token.

ONLINE SAFETY

Interesting New Law in the UAE – Legal Requirements on Parents

For information sharing: a new law came into effect on 1st Jan in the UAE which now places a legal requirement on parents, caregivers and others to protect children. Called the Child Digital Safety law there are specific requirements and clear responsibilities including:

- Supervising online activities.
- Using age-appropriate digital platforms.
- Not allowing children to use other people's accounts.
- Protecting children from exploitation.
- and more.

For most people all of this would come under the heading of common sense, yet we all know there are some who don't monitor the activities of their children. What do you think, a good idea?

[For Parents – Google Family Link](#)

For children with Android devices, Google Family Link is a great way for parents to set restrictions. Last week Internet Matters released a brand new YouTube video showing how to set up Google Family Link to customise content and screen time restrictions:
