ONLINE SAFETY

Find the Right Words

Virgin Media and Internet Matters have released a wonderful new resource for parents/carers. Called 'Find the Right Words', the video and resources help with some of those difficult conversations about how to keep children safe online.

Steam Parental Controls

Steam is a huge digital distribution platform for PC gaming and hugely popular with children and young people. Basically Steam acts as a storefront, installer, launcher and social network for 30,000 games. Because of the vast range of games, some of which will not be suitable for children, it's important that parents understand the controls that are available to them on the Steam platform. Internet Matters have a 1-minute video on YouTube which will help with this.

THE CHILDREN'S COMMISSIONER'S NATIONAL SURVEY – THE BIG FUTURE

The Children's Commissioner has sent the following message:

Hi, my name is Rachel and my job is to hear from all children and young people in England.

As the Children's Commissioner I've launched this survey so you can have your say on what it's like to be a child or young person in England today. I will take your views to the Government, to help them make life better for children.

Everything you tell me will be kept private. You don't have to answer any question if you don't want to. There are no right or wrong answers. Just answer honestly! To find out more, [visit my website.](https://www.smartsurvey.co.uk/s/TheBigFuture/)
