Playstation Family App

The Playstation Family App came out in Sept 2025 and it is a great way to help parents set up and manage their children's Gaming experience. Features include:

- Manage playtime.
- Activity report.
- Visibility into what children are playing.
- Approving playtime requests.

On this web page you will find detailed instructions to guide you through setting up a child account, get notified what game your child is playing in real time, approve or decline a request for extra playtime, apply content filters, privacy settings and more.
