Managing In-Game Spending

In-game spending can be problematic with some children and young people. The urgency to level up, to look unique, to be better than your friends, and to top all this off the persuasive techniques that games companies use.

Internet Matters have an excellent guide for parents which includes:

- How do children spend money while gaming.
- How does in-game currency work.
- The benefits and risks
- Supporting resources, and more.

You can view the guide [HERE](#).

Please follow us on our social media platforms to stay up to date with our school news!
