ONLINE SAFETY

www.esafety-adviser.com

Set Up Safe Guide

Once again Internet Matters have put together a brilliant new resource for parents and carers. This time it's a Set Up Safe guide which simplifies all the confusing tech/device settings advising that online safety works best when it's shaped around how children actually use their devices, it's all about 'layering'.

Download and read the [Internet Matters Layer Up for Online Safety Guide](#).

Please follow us on our social media platforms to stay up to date with our school news!
