Family Gaming Database

When it comes to app and games reviews one of the resources consistently shared during parents talks is Common Sense Media who have thousands of unbiased and up-to-date reviews which can be really helpful for parents over and above age ratings.

But when it comes to games specifically there's an equally great site which is often overlooked called The Family Gaming Database. This is a fantastic resource with a plethora of information for families and currently 3,485 video games and 197 board games already reviewed.

Hello from Donna Burnett, Your New Community Ambassador!

WHAT DO I DO?

You may know me from the school office, but as Timbercroft's new Community Ambassador, my role is to help bring our community together. I'll be listening to families, creating opportunities to get involved, organising friendly events, and building partnerships that support our school and local community. If there's a service, group, charity, or opportunity that could benefit our families, I'll help connect you with it.

I am available on Mondays and Wednesday's from 08:00 to 13:30. Please contact me at donna.burnett@tpsmt.org or find me at the school. I look forward to working together with you all and creating an inclusive and supportive community.
