Dear Parents and Carers,

I am writing to you to let you know that a professional photographer will be visiting **Timbercroft Primary School on Wednesday 1st October 2025** to capture images of our children learning and taking part in a range of activities across the school.

The photographs will be used to celebrate life at Timbercroft and may also appear on our website, social media and in other school-related materials. Please be assured that only children with the appropriate consent will be photographed.

If you would like to review or update your child's photo permissions, please refer to the guidance below and contact the school office for support to make any changes.

Could you please ensure that children come to school on the day dressed smartly, in their school uniform, so they feel confident and ready to represent Timbercroft at its best.

Thank you in advance for your support. If you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

Miss Cartwright
Head of School
