

Year Group Newsletter

Year 4

Curriculum:

For information regarding the Year 4 curriculum that we will be studying this year, please see take a look at our website:

<https://www.timbercroft.greenwich.sch.uk/Curriculum/Our-Curriculum/>

Weekly Routines and Key Events:

- **PE days:** Both classes have PE on a Thursday.
- All dates for Parent Pop Ins and additional PE will be in each weekly newsletter.

Communication:

Our weekly newsletter, 'Timber Weekly' is emailed home every Friday. Each edition contains:

- Fun Filled Fantastic Friday - our celebration assembly on a Friday in which we celebrate the children's hard work across the week and other stand out moments from across the school community
- diary dates - including our weekly additional PE lessons
- Online safety updates
- Attendance challenges
- Key information - for example updates on our OPAL project and upcoming events

We also share essential information via our our social media platforms (Facebook/instagram/X: @timbercrofts) and website: <https://www.timbercroft.greenwich.sch.uk/>

Homework:

- Children should read for 15 minutes every night.
- Times tables should be practised regularly - please make use of TTRockstars in order to do this.
- Weekly spellings will be set on Google Classroom. Children need to practise their spellings across the week and they will be tested on a Friday. We send the spellings home each week for you to see how your child is doing.
- Please ensure your child frequently accesses Google Classroom for additional home learning or homework.

Year 4 Parent Meeting

In Year 4 all children must take part in a Multiplication Check in June. To support your child with this, we will be setting weekly homework through a Times Tables workbook. The children will be set a specific focus in the workbook to complete, this will be sent home on a Friday to be returned to school by Wednesday

We will be arranging a parent meeting to explain more and how the times tables workbooks will be used to support your child, once they have been delivered to school.

Year Group Newsletter

It will also give you the opportunity to ask any questions you may have. If you are unable to attend, please do not hesitate to speak to either of us (Miss Savage and Mr Joseph) about any areas of concern, or positive comments you wish to pass on.

How you can help:

To ensure your child gets the most from their school experience, please make sure your child is punctual to school, as it is vital that children do not miss the beginning of the school day, starting off positively. Also children need to be prepared for the day, e.g. PE kits on PE days, pre learning tasks completed and any resources required. Finally to ensure your child achieves the best results this year, it is important that there is open communication between the school, your child and yourselves.

To email your child's teacher directly, please use:
